### PIG SICK!

Problems answered by  
UNCLE PIGG

I'm fed up. My friends keep  
saying that my body looks like  
a pig's body. What should I do?

— David Tornambe, London

You sound perfectly normal to  
me. You must have some weird  
pals. Don't worry, unless a  
butcher calls you a pig.

Every time I fight with my  
brother Gregory he calls me  
'Nappy Boy'. Do you know  
what he means by this?

— Gerald Richards,

Birmingham

Your brother seems a bit rash.  
Perhaps he's covering up for his  
own wee problems. Hope this  
gets to the bottom of your  
troubles.

I don't have many friends  
'cause I'm very spotty and  
warty. People call me 'Spotty  
Spudhead'. What can I do?

— Edward Alcock, Norwich

You seem to be in a tight spot. Did  
you spot the advert on page 2?

Every problem printed wins a  
Piggy prize picked by Uncle  
Pigg.

## DAVID COLEHAM'S WORLD CUP REPORT

Aaaand .... here I am in sunny Mexico City, to report on the World Cup for 'Oink' comic, and I must say it's great of Uncle Pigg to fly me all the way out here to do such a pleasurable job.

And I can tell you that the World Cup is shaping up pretty much as we expected. From what I've seen so far, I think I can safely say that the World Cup is indeed sort of cup-shaped, it appears to be made of some kind of shiny metal, and ... yes ... I've got a photo of it here and it seems to stand on some sort of base, with a space there for inscribing the name of something-or-other. And that's about all there is to it at this moment in time.

So that's the latest news on the way the World Cup is shaping up here in Mexico, and ... hang on, I'm getting a message on my earpiece ... what? I'm supposed to be at a football match? What do you mean, I'm sacked?
